

Child Care Request Registration Form

In order to accommodate our members and serve our children, we are providing child care services for children 2-5 years of age. We will have child care in our Temple Dor Dorim Early Childhood Center. The programs for Rosh Hashanah and Yom Kippur will be age appropriate and will provide a meaningful experience for all. In order to prepare programming we will need to know which service you will be attending and the ages and names of your children attending Child Care.
